★ WISH is a unique intern housing program and a thoughtful choice for students who seek a community of interns while in Washington. It's a great way to meet people, share ideas and get to know the Capitol.

Our clean, well-furnished housing is located throughout the Capitol Hill Historic District, our National Neighborhood, with tree-lined streets, brick sidewalks and landmarks around every corner.

Move in with a suitcase! WISH offers furnished apartments and town-houses to be shared, private studio and one-bedroom apartments, graduate and faculty housing, as well as classrooms, reception rooms, and offices.

WISH locations are close to Metro, the U.S. Capitol and Congressional offices, the Library of Congress and U.S. Supreme Court, Federal Agencies, Smithsonian Museums, monuments and memorials on the National Mall.

We host interns from across the country and around the world studying and working in every field.

Come see the view from Capitol Hill!
